Columbia, South Carolina - August 1, 2013 – Accounting Systems, Inc. (ASI), a Sage North America business partner specializing in the sales, installation, and support of Sage 100 ERP, has earned a 2013 Sage Customer Excellence Award, an honor earned by Sage business partners who participated in the Customer Loyalty Program and achieved the highest Net Promoter Scores. This honor is part of the Sage Partner Advantage Awards that recognizes partners for top performance and excellence.

"We are proud of Accounting Systems, Inc. and their dedication to providing positive experiences to their customers," commented said Joe Langner, executive vice president, general manager of mid-market solutions, Sage North America. "Congratulations to the entire team at ASI for their commendable work!"

"This is an exciting win for everyone concerned," states Brian Kelly, principle at ASI. "It's an honor for our team to be recognized for the level of service we provide our customers, and it's so nice to be able to demonstrate that service to our prospective customers through this award."

Winners were presented at the [Sage Summit 2013 Conference](#), July 21, 2013, at the Gaylord National Resort and Convention Center in Washington, D.C.
